**TIPS** (by Magpie Karnival)

There once was a pup, Alfie Tipster,  
Who liked to be known just as '**Tips**'!  
He didn't like dog food, or bones, or balls,  
And his favourite food was **chips**!

Tips lived on a farm near a bluebell wood  
And was always getting in **trouble**.  
Most of the animals thought he was bad  
Apart from a fish called '**Bubble**'.

"Oh Bubble" he'd say, "I just want to play,  
But none of the animals **like me**...
